Le caratteristiche tecniche sono riportate a scopo informativo per una corretta utilizzazione del prodotto; possono essere suscettibili di modifiche in linea con i progressi tecnologici e in funzione delle esigenze di fabbricazione. I dati menzionati sono valori indicativi calcolati in linea con i più importanti standard europei e americani. F.lli Giovanardi garantisce la conformità dei suoi prodotti alle normative vigenti e alle specifiche tecniche. L'acquirente si assume la responsabilità per l'errato, inadeguato, non conforme uso e applicazione dei prodotti; nonché per la messa in opera e l'installazione degli stessi in relazione alle normative, alle regole dell'arte e alle norme sulla sicurezza vigenti nei Paesi destinatari anche con riguardo agli eventuali diritti di terzi.

The technical specifications mentioned have a pure informative purpose and are meant for a correct application of the material. The data can be subject to changes according to technological advances and production needs. The mentioned data are indicative values calculated according to the most important European and American standards. F.lli Giovanardi guarantees the compliance of its products with the actual standards and with the technical specifications. The buyer takes his own responsibility for incorrect, unsuitable and non-compliant application of the products; as well as for its implementation and installation according to the existing regulations, proper work and security laws existing in the destination Countries with particular attention to eventual rights of third parties.

Die angegebenen technischen Daten dienen der korrekten Anwendung des Produktes. Sie können sich aufgrund von neuen Entwicklungen oder Produktionsbedürfnissen verändern. Die angegebenen Daten sind Richtwerte, entsprechend den wichtigsten europäischen und amerikanischen Standards. Die Firma F.lli Giovanardi gewährleistet die Konformität ihrer Produkte nach der geltenden Normen und technischen Spezifikationen. Der Käufer übernimmt die Verantwortung für den falschen, ungeeigneten Einsatz der Produkte, sowie die Installation derselben in Bezug auf die Normen, die in jenen Ländern gelten, in denen die Produkte eingesetzt werden. Dies gilt auch hinsichtlich eventueller Rechte Dritter.

Les caractéristiques techniques mentionnées sont à titre indicatif afin de permettre une bonne utilisation du produit. Elles peuvent être sujettes à changement en fonction des progrès de la technique et d'exigences de fabrication. Les données sont des valeurs indicatives, calculées conformément aux principales normes européennes et américaines. La société F.lli Giovanardi garantit la conformité de ses produits en fonction des usages et des normes en vigueur. L'acheteur assume la responsabilité d'une utilisation non conforme ou erronée du produit. Il doit assurer une mise en œuvre et une installation en conformité avec les normes, les règles de l'art et de sécurité en vigueur dans le pays destinataire ainsi qu'un éventuel droit de regard des tiers.
